Hi Lorena,

Hope all is well. We met with the Councilman yesterday to debrief him on Shred. He asked if we can have the Trolley make a stop to drop people off near Shred. Possibly like a pick up and drop off stop. Let us know your thoughts.

Secondly, I have enclosed the flyer for the event. It is acutally large in size, like a small poster. Please let us know if you can use this to spread the word.

Please let me know if you have any questions.

Thanks,  
Gianine
